Attachment A

On June 2, 2015, Daniel DECIGA attempted to make entry into the United States from Mexico through the Hidalgo Port of Entry (POE) in Hidalgo, TX driving a Chevrolet Malibu bearing Texas license plate DFV1837. During an inspection of the vehicle, Customs and Border Protection Officers (CBPOs) discovered approximately 11.12 kilograms of cocaine concealed in front driver and passenger side door panels. A Homeland Security Investigation (HSI), Special Agent (SA) and HSI Task Force Officer (TFO) subsequently arrived at the Hidalgo POE to interview DECIGA. DECIGA was given a copy of his Statement of Rights and waived those rights verbally and in writing. DECIGA voluntarily stated that the Chevrolet Malibu which he was driving today belonged to him. He stated that he knew he was transporting cocaine into the U.S., however he would not tell agents who gave him the cocaine nor where the cocaine was going due to the fact that he was afraid for his family's safety in Mexico. DECIGA stated that this was the first time that he has smuggled cocaine into the U.S. and he was being paid approximately \$4,000 to do so.
